

**COVID-19
REOPENING
POLICIES AND
PROCEDURES**

NO MASK NO SERVICE

All clients are required to wear a mask while inside the salon. There will be masks available for purchase.

Additionally, all tables and reception desk will be equipped with partitions for extra precaution and employees will wear face shields during pedicure services.

SOCIAL DISTANCING

We have arranged work stations to comply with the 6 feet social distancing guidelines. There will be empty pedicure stations to ensure social distancing between clients. We also have eliminated our waiting area and drying station. We encourage clients to choose gel polish when possible.

There will be a strict NO GUEST POLICY.

APPOINTMENTS

We will be operating by appointments only. We recommend booking your appointments in advance. Bookings can also be made through email or direct message via Instagram and Facebook.

If you are experiencing any of the symptoms of COVID-19 or have been out of the country in the last 14 days, please reschedule your appointment.

DAY OF APPOINTMENT

When you have arrived, please stay in your car and notify us by calling the salon or sending us a message on Instagram or Facebook. We will inform you when it is safe to come into the salon. Once you enter the salon, please wash your hands for 20 seconds or use the hand sanitizer. No outside food or drinks will be permitted in the salon. We ask you only bring essential items with you inside the salon.

DISINFECTION

The safety of our clients and staff is our number one priority. Proper disinfection protocols will be performed between each service. We will allocate additional time for cleaning in-between clients.
